Respected Madam,

Sub: Requisition letter for getting light  
from CERC Department.

Regarding monthly concert basis there is  
Dance programme on 3 April '10 by Smt. Jyotsna Menon.  
There was shortage of packed flood light in the  
open air (Mukunji Aangan). So, according to the  
light man's advice, I am requesting you to  
give the permission to bring one light from  
CERC Centre. Which was already been packed  
due to main theatre renovation. If you could permit  
to get that light it will be helpful.

Thanking you,
